

**MONTGOMERY COUNTY FAIR & RODEO
HEIFER SCRAMBLE
TEXAS SUPREME AWARD POINT SYSTEM**

Major changes were made in the Supreme award judging in 1984 and 1985. With the advent of Prospect Shows and their short duration, true learning experiences and efforts expanded were not properly credited.

Many Prospect Shows divide classes so that few animals are in each class and in essence there are many first places. Prospect Shows tend to be half-day shows and are not attended by ranchers or the general public. As such, little education may take place. One of the major purposes of the County Fair and Houston Livestock Show are education. County Fairs held shows to educate producers and improve cattle in the County.

As such, the following point system should be utilized:

Because Breed Champions and Grand Champions are not equal or comparable among different shows, Breed Champion shall be considered to be equal to Grand Champion and Reserve Breed Champion shall be considered to be equal to Reserve Grand Champion.

Differential: Major to Regional to County to Prospect Shows

1. Size (competition)
2. Length of time required to stay
3. Educational value to public ranchers

Computing equalizations:

Breed Field Days = County Fair

National Breed Shows = Major Show
