QUALITY COUNTS

VERIFICATION

4-H and FFA have been involved in character education for more than 100 years. Quality Counts is our way of showcasing this character education and at the same time showing our commitment to producing a safe and wholesome livestock product for the consumer.

Verification of Quality counts is a natural extension of this effort to demonstrate that 4-H and FFA youth have a base knowledge of the principles of quality assurance and good moral character.

Now and in the near future many local and major livestock shows will require that a youth exhibitor demonstrate this base knowledge by taking the online Quality Counts Verification test and obtaining a Verification Number. The Montgomery County Fair will be requiring the Quality Counts Certification and the certification number must be written on your entry form when turned in to your 4-H and FFA Leader.

DIRECTIONS FOR QUALITY COUNTS CERTIFICATION

Visit: <https://agrilife.org/qualitycounts/> for directions and the link to complete your Quality Counts Verification test.
