All birds will be ordered through the Montgomery County Fair Office immediately after November order deadline. **A minimum of fifty (50) birds must be ordered, and in increments of 50 with a maximum of 100 birds per exhibitor. You may family tag an order of fifty (50) or an order of one hundred (100), regardless of how many family members share the tag (ex. Three siblings may share a family order of 100, or 5 siblings may share an order of 100).** There is no limit to the number of immediate family members that may share a family tag. Family Tag must be specified on the order form, and on the exhibitor card at pickup. Family tagging a broiler order is optional; exhibitors may choose individual orders instead. Individuals may order a minimum of 50 and maximum of 100, but animals from an individual order are not shared among immediate family. See broiler show rules for additional information on ordering.
